RE: Public Records Request Received April 14, 2017
File Number: PRR-2017-00199

Dear Senator Padden:

This letter is to acknowledge your public records request dated and received in our office on April 14, 2017. You requested the following:

Public records request for any and all communications (including letters, emails, notes or drafts) either sent or received by any employee of the Attorney General's Office regarding the documents. (Guidance Concerning Immigration Enforcement document)

I estimate that it will take twenty (20) business days to determine the location, nature and amount of records that may be responsive to your request. If records are ready prior to that time, I will notify you. If this time assessment requires adjustment, I will also advise you of that.

After the location, nature and amount of records has been determined, I will provide you with further estimate of the time necessary to gather the records, if any, for inspection and/or copying.

Please note that the Office of the Attorney General has a Unit that processes all requests to this office. Please direct all future correspondence regarding this, and any future, request to the below stated address.

Please contact me at Office of the Attorney General, Public Records & Constituent Services, P.O. Box 40100, Olympia, WA 98504-0100, if you have any questions. Thank you.

Sincerely,

LA DONNA K. JENSEN
Director of Public Records
& Constituent Services
