# Government Guide

2018  
**Government Guide**

Dear friends and neighbors,

As your state senator in Olympia, I am pleased to offer this latest edition of our Government Guide. This guide provides contact information for elected representatives and important local agencies, to assist you in your dealings with local, state and federal governments.

It is an honor to serve in the Legislature and be your voice at the state Capitol. My goal is to bring the values of the 4th Legislative District to the state Capitol. Our district is blessed with innovative people, resilient small businesses, and vibrant, close-knit communities where we care about one another.

In Olympia I am working hard to keep state spending under control, reduce the size of our state bureaucracy, strengthen our economy, support our charitable organizations, and promote traditional family values. I recognize that every tax dollar we spend in Olympia is a dollar that has come from the hardworking people of this state.

Together we can create a better state for our children and for future generations. You can influence the decisions that will shape our future by making your opinions known to the people who represent you at all levels of government. In this guide, you will find names, addresses, phone numbers, websites and email addresses for government officials and agencies.

I hope you will share with me your comments and concerns about state government. I also encourage you to visit my website at <http://mikepadden.src.wastateleg.org> for further information. On this site you also can sign up for my regular e-mail updates. I am proud to represent you in the Legislature, and I look forward to hearing from you.

Best regards,

Sen. Mike Padden

Senator

# We are the 4th Legislative District

**There are three pools serving the City of Spokane Valley.** Valley Mission Pool has a zero-depth entry on one end and is the summer home to thousands, both young and old.

**Mount Spokane offers locals and visitors superb skiing in the winter.** Here, a chair lift down offers a panoramic view of the Spokane Valley.

**There's nothing like a fresh-air field trip to the Newman Lake area.** Fresh fruits, vegetables, and u-pick Christmas trees are all right there.

# ...Stretching from Havana Street on the West

There are many beautiful golf courses in the 4th Legislative District that provide a challenge for golfers of every level.

These kids are concentrating on what they see under a microscope at the West Valley Outdoor Learning Center. But wait... the critter in the background is trying to get into the act, too!

Spokane Valley Meals on Wheels has been helping the elderly and disabled for 30+ years. Serving over 7,000 meals monthly, regular volunteers do daily checks on the well-being of the program's recipients.

Spokane's Business and Industrial park is the region's largest employment complex with over 120 resident companies employing over 4,500 people. The industrial park contains over 80 buildings ranging in size from 1,200 to 270,000 square feet.

# to the Idaho border on the East

**The Spokane River** meanders its way through the center of the 4th District.

**The Vista House at the summit of Mt. Spokane**, built in 1934, offers shelter to picnickers and hikers at Mt. Spokane State Park.

**Most folks would agree that a key to achieving the American dream is getting a strong education.** This little kindergarten girl at Pasadena Park Elementary concentrates on her work above any distractions.

**The orchards of Green Bluff** at the foot of Mt. Spokane offer bountiful harvests every fall.

# ... We live, work and play here!

**The perfect combination of rural and city life**, Spokane Valley offers something for everyone who is fortunate enough to live here. This is the beautiful Mirabeau Falls.

**Ah ... the smell of pancakes and sausage!** Organizations such as the Rotary Club sponsor pancake breakfasts and barbeques throughout the 4th District. Come and get it!!

## How Your Voice Can Be Heard

---

Washington has one of the most open legislatures in the country. Every bill being considered by the House or Senate must be discussed in open hearings before the appropriate committees. The general public is encouraged to attend committee hearings and to testify on issues important to them. While words like “hearing” and “testify” may sound forbidding, they simply represent your opportunity to come to Olympia and tell lawmakers how you feel before action is taken on an issue. For more information on how to testify effectively, write or call the Legislative Information Center at (360) 786-7573.

You can leave messages supporting or opposing bills or issues for your state representatives, senator and the governor by calling the toll-free Legislative Hotline. The hotline is available Monday through Friday from 8am to noon and 1 to 4:30pm during the interim. During the legislative session they are available Monday through Friday from 8am until 8pm and Saturday from 9am to 1pm.
