This guide to government provides information on how to contact federal, state and local government offices and services.
Dear friends and neighbors,

As your state senator in Olympia, I am pleased to offer this 2023 edition of our government guide. This guide provides contact information for elected representatives and important local agencies, to assist you in your dealings with local, state and federal governments.

I am honored to serve in the Legislature and be your voice at the state Capitol. My goal is to bring the values of the 4th Legislative District to the state Capitol. Our district is blessed with innovative people, resilient small businesses and vibrant, close-knit communities where we care about one another.

In Olympia, I work to keep state spending under control, reduce the size of our state bureaucracy, strengthen our economy, support our charitable organizations and promote traditional family values. I recognize that every tax dollar we spend in Olympia is a dollar that has come from the hardworking people of this state.

Together we can build a better state for our children and for future generations. You can influence the decisions that will shape our future by making your opinions known to the people who represent you at all levels of government. In this guide you will find names, addresses, phone numbers, websites and email addresses for government officials and agencies.

I hope you will share with me your comments and concerns about state government. I encourage you to visit my website at http://mikepadden.src.wastateleg.org for further information. On this site you also can sign up for my regular email updates. I am proud to represent you in the Legislature, and I look forward to hearing from you.

Best regards,

Sen. Mike Padden

**An Invitation to Olympia**

Washington’s Capitol Building and its surrounding campus make Olympia one of the nation’s most beautiful state capitals. The Capitol Campus is a year-round tourist destination and the Legislative Building is its centerpiece. Olympia visitors also can enjoy the Temple of Justice where the Supreme Court meets, the Governor’s Mansion, the Old Capitol Building and several veterans’ memorials situated on the 30-acre campus.

**Capitol Tours:** Public tours are held daily from 10 a.m.- 3 p.m. on the hour (registration not required). Larger groups or schools should call 360-902-8880 to schedule a private tour.
How Your Voice Can Be Heard

Washington has one of the most open legislatures in the country. Every bill being considered by the House or Senate must be discussed in open hearings before the appropriate committees. The general public is encouraged to attend committee hearings and to testify on issues important to them. While words like “hearing” and “testify” may sound forbidding, they simply represent your opportunity to come to Olympia and tell lawmakers how you feel before action is taken on an issue. For more information on how to testify effectively, write or call the Legislative Information Center at (360) 786-7573.

You can leave messages supporting or opposing bills or issues for your state representatives, senator and the governor by calling the toll-free Legislative Hotline. The hotline is available Monday through Friday from 8 a.m. to noon and 1 to 4:30 p.m. during the interim. During the legislative session they are available Monday through Friday from 8 a.m. until 8 p.m. and Saturday from 9 a.m. to 1 p.m.

Legislative Information on the Internet

In the interest of improved public access to legislative information, the Washington State Legislature has created the LEGInfo public access service on the internet at www.leg.wa.gov.

- Senate Web:  www.leg.wa.gov/senate
- House Web:  www.leg.wa.gov/house

Any citizen with a computer with sound system and access to the internet can listen to all deliberations of the Legislature LIVE. The deliberations are also stored for later access on demand. This service is free and is provided by TVW, the statewide nonprofit television network which is the equivalent of C-SPAN at the national level. Just visit TVW’s website at www.tvw.org.
